wringing More I will
wring More next time
you said you did not say
you would go with me to
Miss But the question
is will you go for I am
depending on you for god
knows that I love you
Beller than any girl I
ever seen in my life
god Bless you I am
soon and I want you to
tell me if you will go
with me if you wont
go I'll try some one else
please dont wait for I
